

Bowel Cancer

Latest Pharmacy Online Course

To Support Bowel Cancer Awareness Month - April 2019

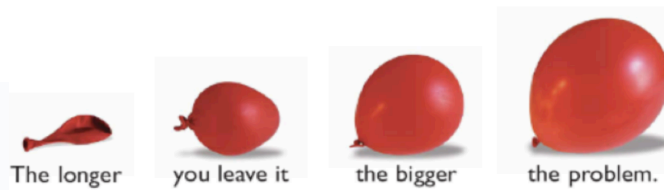

It is the 4th most common cancer in the UK and while 9 out of 10 cases are in people over 50, it can appear at any age.

Symptoms of bowel cancer can be subtle and don't always make you feel ill which is why an early diagnosis is so important.

Do you know the signs and symptoms to look out for? If not, watch our FREE online training.
