

July Online Training Event

Get Ready for Summer

Aims of this online training

-  To understand how to keep your customers safe in the sun.
-  To understand what advice to give if people have been sunburnt.
-  To understand what precautions people need to take to reduce the risk of being bitten by mosquitoes.
-  To look at other advice you can give people to keep them safe and healthy on holiday.
-  To understand where people can get advice regarding taking medication abroad.
-  To give a list of resources where you can get leaflets and information.
-  Course length - 17 minutes
